This technical drawing shows a semi-circular arch with a blue outer boundary and a red inner boundary. The arch contains two rectangular cutouts in the center, each with a blue outer frame and a red inner frame. On either side of these rectangles are triangular cutouts, also outlined in blue. The entire arch is labeled with the text 'Prednja strana' and '629 x 245 (cm)' in the center.

The image shows a technical drawing of a semi-circular arch. The arch is defined by two concentric semi-circular lines, an outer blue line and an inner red line. The space between these lines is divided into three sections by two rectangular openings. The central section contains text. The two rectangular openings are positioned at the base of the arch, one on the left and one on the right. Each opening is defined by a blue outer rectangle and a red inner rectangle, with slightly curved vertical sides. The text is centered in the middle section of the arch.
